Rob's President's Message

Greetings Scubanauts!

The days are getting shorter, the kids are back to school, and lobster season is well under way. It must be time for the September Scubanauts meeting.

Those in attendance at the august meeting were treated to an excellent presentation and book signing event with John Clarke, author and director of the Navy Experimental Dive Unit at Panama City Beach. If you weren't there, well, you missed out. September will feature Chuck Meide from LAMP (ST.AUGUSTINE LIGHTHOUSE ARCHAEOLOGICAL MARITIME PROGRAM) Thanks, once again, to Nadine for booking Chuck.

I am looking forward to seeing everybody there. Those of us who didn't get in the water this past month would love to vicariously experience the diving adventures of those of you who did, so please bring on those dive reports.

Cheers, -Rob
