Rob's President's Message

Greetings Scubanauts,

The dogfish days of August are upon us. Hot days and warm waters should make for good diving, who all has been in the water? Hopefully the lobster hunters have filled their freezers from a successful mini season, and I've heard through the grapevine that others have been diving too, so I expect we'll have a good number of dive reports for this month. Looking forward to hearing them at our meeting on the 9th. Just a reminder, we will be back at Athens cafe on old St. Augustine rd. for this month. We'll also be hearing about a rather venomous project that Nadine is working on. Should be interesting.

Regular lobster season starts Aug 6th, so go get those bugs! There are a few other local dive outings and trips in the early planning stage, so stay tuned for more.

Cheers,
-rob

p.s. please check the announcements in the newsletter; we have several activities in the coming months. Looking forward to seeing everyone in the water this year. And as always, please be thinking about other dive destinations to which you'd like the club to run trips this year. We can always use new trip ideas and new trip leaders!
