Rob's President's Message

Greetings Scubanauts,

Man, it's either hot hot hot, or it's raining. The domestic animals are all freaked out from the fireworks. It must be July already. Happy Independence Day. Hopefully some of us have been cooling off at depth, Looking forward to hearing those dive reports.

This month we'll be reviewing some pictures from the Roatan trip and getting an update on the St. Johns county turtle patrol. Hope to see everyone there.

Lobster mini season this year is July 26-27. Shouldn't be hard to melt the butter this time of year. Who's collecting bugs, and where?

Cheers,
-rob

p.s. please check the announcements in the newsletter; we have several activities in the coming months. Looking forward to seeing everyone in the water this year. And as always, please be thinking about other dive destinations to which you'd like the club to run trips this year. We can always use new trip ideas and new trip leaders!
