Rob's President's Message

Greetings Scubanauts,
While we lament the passing of lobster season, (to those that got away: wait 'till next year) I'm delighted to once again wish everyone a happy April fool's day. We'll start the month off with an early Easter; I hear there are underwater egg hunts around the state, so we may have egg counts included in this month's dive reports. Spring is in full swing now, hopefully the water will be warming up soon so we can get back in the water. I know the folks going to Roatan this year are anticipating a great time next month. Now that the covid vaccines are getting around and CDC guidelines are starting to ease up on in person meetings, I hope to see you guys all soon. Take care, and be safe.

Cheers,
-rob

p.s. please check the announcements in the newsletter; we have several activities in the coming months. Looking forward to seeing everyone in the water this year. And as always, please be thinking about other dive destinations to which you'd like the club to run trips this year. We can always use new trip ideas and new trip leaders!
