Rob's Presidents Message

Greetings Scubanauts,

Those of us who would rather spend the winter months in hibernation normally have a difficult time finding things to get excited about this time of year. Well, according to "Punxsutawney Phil, Seer of Seers, Sage of Sages, Prognosticator of Prognosticators and Weather Prophet Extraordinary" (aka the groundhog) we'll be sleeping in for a few more weeks. Oh well, at least we get to set a record with a home team in the super bowl. Go bucs! We'll have one more holiday before a long stretch without any, to celebrate our nation's presidents, good and bad. Interesting fact: no president so far has a birthday that can actually coincide with president's day. Immediately following that, we'll have the hedonistic revelry of Mardi Gras (earn those beads!) to celebrate, though without the parades this year. (Sigh)

Due to the scarcity of diving opportunities in 2020, we'll be skipping our photography contest this year, but we will have a showing of pics from previous years, as well as a few new ones. You won't want to miss that. I'm always amazed by the quality of our members' photos.

This is a great time of year to get your gear serviced, to be ready for new dive opportunities in the warmer months. Looking forward to seeing everybody again soon.

Laissez les bons temps rouler,
-rob

p.s. please check the announcements in the newsletter for activities in the coming months. Looking forward to seeing everyone in the water this year. And as always, please be thinking about other dive destinations to which you'd like the club to run trips this year. We can always use new trip ideas and new trip leaders!
